Sub: Prayer for financial support.

Respected Sir/Madam,

With due respect, we (Masjid Committee) are writing to bring your kind consideration toward her distress. We (Masjid Committee) confirmed that Sultana Begum Barbhuiya is a very poor person in our village and she needs your organization's financial support because she has been suffering from cancer disease since 2023. But she has no financial support and her husband is physically handicapped. And your organization helped her for treatment previously but it was not sufficient funds.

Finally, we (Masjid Committee) declare that Sultana Begum Barbhuiya is eligible for Zakat. So, she needs your funding support again so that she can fulfill her treatment. We hope that your organization will consider our request.

Thanking you

Yours faithfully
