## Appeal for Donations

Assalamu Alaikum Warahmatullahi Wabarakatuh,

We humbly appeal for your support to help educate and care for underprivileged and orphan students at **Madrasa Jamiya Madeenatul Uloom**, established in 2019 by **Moulana Mohammed Khurshid Miftahi**.

Our Madrasa provides Islamic education, accommodation, food, books, and medical care to **90+ students** who come from extremely poor backgrounds. The institution runs entirely on public donations, and many families are unable to afford even basic educational expenses.

**Your donation will support Education & learning materials, Hostel & accommodation, Food & daily needs, Books & stationery, Medicines & healthcare, Utilities & maintenance.**

Every contribution directly helps a child continue their education in a safe and nurturing environment.

Supporting this cause is a **Sadaqah-e-Jariyah**, with rewards that continue as long as knowledge is practiced and shared.

Please donate generously and help us shape a brighter future for these students.

May Allah reward you abundantly. Ameen.

Warm Regards,

Moulana Mohammed Khurshid Miftahi,
