Remarkable Achievements of 2021

Alhamdulillah!

It is with great pleasure that we inform you that IndiaZakat.com has completed **2 momentous years** after its launch on the eve of Ramzan in 2020. Launched soon after the nation-wide lockdown announced in March 2020 and just before the month of Ramzan, IndiaZakat has gone on to become one of the most successful crowd-funding platforms in India. This has been achieved without doing any promotion and without any advertising budgets. We achieved our position as India's 1st Zakat based Crowdfunding platform by successfully connecting the **Zakat Seekers** to the **Zakat Givers**. The last 2 years have been stupendous in terms of the growth, especially 2021.

The total impact of IndiaZakat in the last 2 years

Rs. 8.4+ Crores

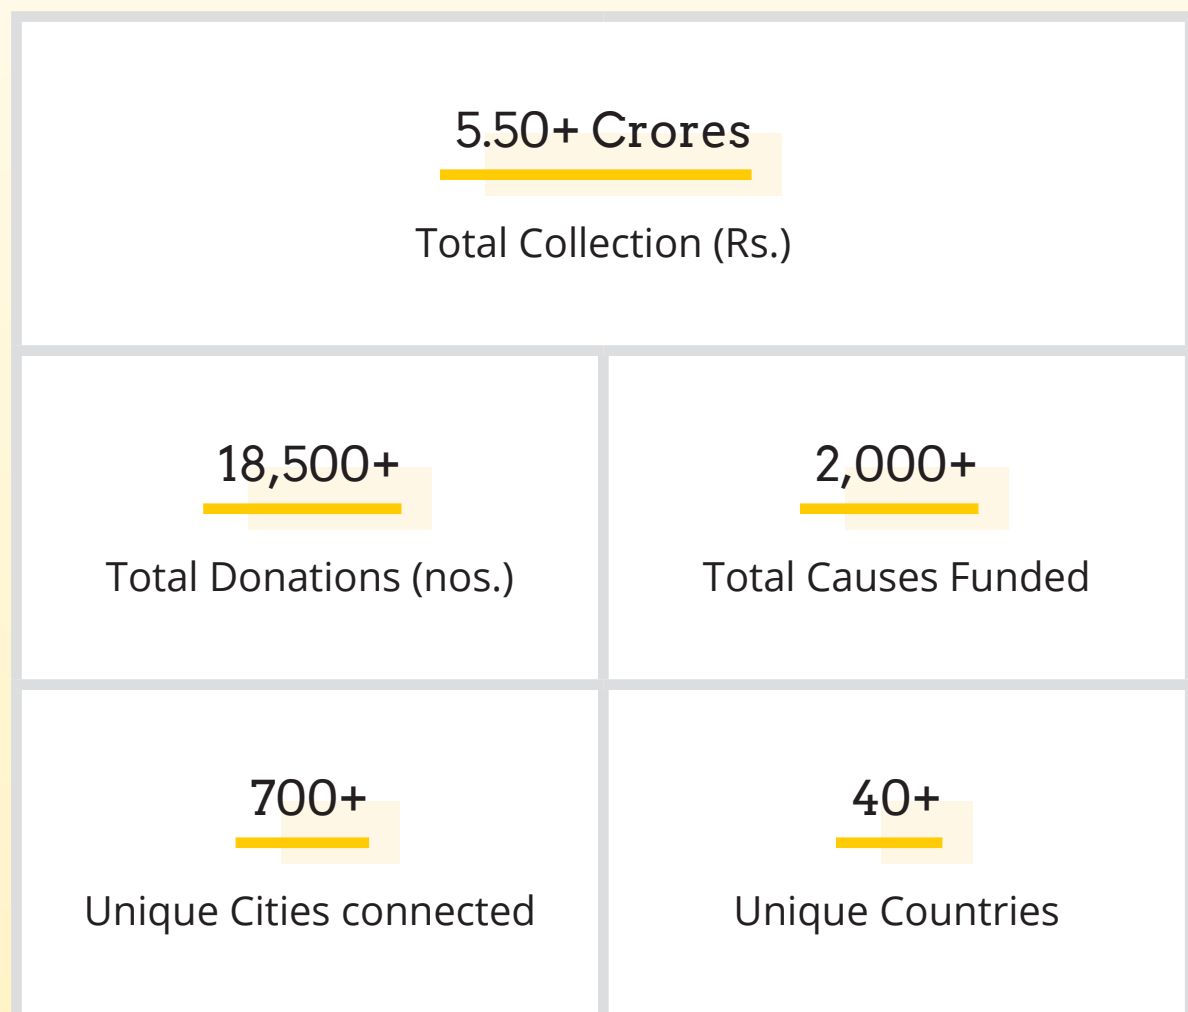

is the total amount raised

-
- ✔ **3,000+ Causes** raised for Assistance
 - ✔ **16,000+ Individuals, Families and NGOs** impacted across India

Alhamdulillah, once again with the help of our esteemed Donors, hardworking Volunteers, proficient Technical & Operations team and our experienced Advisory council, IndiaZakat managed to rise higher in its achievements in supporting the needy in 2021. Our Donation collections increased **3-fold** thanks to the trust gained by us due to the transparent process of Zakat Collection & Disbursement. The other important factor that helped us is that we don't charge any fees to the Donors or Beneficiaries and operate on No-fees basis, except for the charges being levied by the payment gateway.
