Nurturing Dreams: IndiaZakat and AMP's Journey with Orphans and Poor Children

Nurturing Dreams: IndiaZakat and AMP's Journey with Orphans and Poor Children

Prophet Muhammad (Peace Be Upon Him) beautifully said, "Myself and the caretaker of an orphan will be in paradise like this," as he held his two fingers together. SubhanAllah!

For almost a decade, AMP has been fulfilling this prophetic promise by supporting orphans' basic education through the AMP Zakat Fund. Realizing that children from extremely underprivileged backgrounds also face immense challenges, AMP launched the 'Adopt an Orphan or Poor Child – Change a Life' project on IndiaZakat.com. This initiative aims to not only support orphans but also bring positive change to the lives of children in need across the country.

Through this initiative, over 500 parent-less children across India have been supported this year. Through our joint efforts, these children are not only receiving financial support but also the love and care they deserve. This collaboration aims to provide them with a life of dignity and pride, ensuring that they have the means to pursue their education and fulfill their potential.

With each donation, a door of opportunity opens for these children, allowing them to break free from the cycle of poverty and lead a life of self-reliance. IndiaZakat and AMP's commitment to these orphans embodies the true essence of compassion and solidarity, bringing light into the lives of those who need it most. Together, they are not just changing lives but also building a future where every child, regardless of their circumstances, has the chance to thrive and succeed.

AMP USA has also joined this initiative and supported additional 100+ Orphans from different parts of the Country.

Apart from AMP Initiatives, the Orphans were supported in large number through Individual and Organizational causes as well on IndiaZakat platform.

In 2023 year, we provided livelihood assistance to needy individuals, particularly focusing on women and the elderly, enabling them to create sustainable livelihoods for themselves and their families.

Story of Empowering 102 Ulema

Association of Muslim Professionals (AMP) has been quietly started a pilot project for changing lives of Imams and Muazzins who struggled financially in surrounding areas of Bhopal, Madhya Pradesh. Recognizing their pivotal role, AMP initiated providing not just financial aid but also dignity and empowerment. With IndiaZakat's support, 102 Ulema now have financial security, allowing them to focus on their communities' spiritual well-being. This initiative has revitalized rural Masjids and Madrasas, ensuring the call to prayer continues without financial hurdles. It has also strengthened the bond between religious leaders and their communities, fostering unity. AMP's vision extends nationwide, aiming to support Masjids and religious leaders across India. This effort goes beyond financial assistance; it's about restoring dignity, honoring sacrifices, and building thriving communities. Healing Hearts, Changing lives: IndiaZakat's Impact in Healthcare

IndiaZakat has become a beacon of hope for over 147 beneficiaries, raising more than 70 lakhs for healthcare. These funds have provided critical medical assistance, touching the lives of those who had nowhere else to turn. From life-saving treatments to essential medications, every rupee donated has made a profound difference. Behind these numbers are stories of families saved from despair, of individuals given a chance at a healthier tomorrow. Our donors have not just contributed financially; they have contributed to the healing of hearts and the restoration of hope. Together, we are transforming lives and building a healthier, brighter future for all.

Impactful story of Medical Support: NICU set-up

In Untada village, Rajasthan, Dawatul Haq Hospital, run by a Madrassa, opened in December 2021, providing vital healthcare to the rural population. Lacking a Neonatal Intensive Care Unit (NICU), newborns needing specialized care had to travel 35 km to Ajmer City, straining families. Recognizing this need, the hospital appealed for support, estimating the NICU cost at 4 lakhs 16 thousand rupees. IndiaZakat, dedicated to supporting healthcare for the underprivileged, led a crowdfunding effort, enabling the NICU's establishment. This initiative saves lives, eases financial burdens, and reduces the emotional stress of long-distance travel for medical care. The NICU's success at Dawatul Haq Hospital illustrates the impact of collective action and organizations like IndiaZakat in fostering a healthier, more compassionate society.

Ration Kits Distribution

In the challenging years of 2020 and 2021, the COVID-19 pandemic wreaked havoc, leaving many families orphaned and helpless. In response, AMP launched a nationwide campaign (#FeedthePoor) on IndiaZakat.com (IZC) to provide ration kits to the poor and needy during Ramzan. This effort was made possible by the generous contributions of donors on the IndiaZakat platform as well as the dedicated efforts of AMP teams on the ground.

It's heartening to note that alongside AMP, many other NGOs and individuals also raised funds to feed the poor and needy, including the Khadime Insaniyat Foundation, Minhaj Interfaith Welfare, Al-Asr Foundation, Universal Aid Charitable Trust and several other organizations and many AMP Chapters specially AMP Kanpur. Together, these efforts exemplify the spirit of compassion and solidarity, demonstrating the collective resolve to support those in need during challenging times.

Through the collaborative efforts of these organizations and IndiaZakat.com, impressive sum of around 15 lakhs was raised for 1000+ impoverished individuals, including families in jhuggi clusters and those living on the streets have been given a ray of hope and nourishment.
